

Cincinnati Metropolitan Housing Authority (CMHA) of Cincinnati, Ohio invites you to become a part of its dynamic and forward thinking affordable housing agency. We are the 17th largest agency in the country with approximately 5,300 public housing units and 11,600 vouchers as well as developing affordable housing program.

CMHA is seeking an energetic professional for the position of Director of RAD Program to oversee and implement the development and preservation of affordable housing. The RAD Director will be responsible for managing the CMHA RAD application process for its Public Housing Program housing units. The qualified candidate will ensure the successful achievement of each step throughout the process from assessment through application, financing, relocation, construction and final conversion.

The ideal candidate will have: Bachelor's or Master's degree in any of the following fields of study: architecture, real estate development, finance, planning, or construction management. Education in other fields of study would be acceptable combined with appropriate work experience; a minimum of seven (7) years of real estate related professional experience of which at least four (4) years are in a managerial capacity working for an established private, public and/or non-profit organization, real estate enterprise and/or developer, overseeing real estate development.

All resumes and salary requirements can be submitted to Greg Muenchen via email at [greg.muenchen@cintimha.com](mailto:greg.muenchen@cintimha.com). CMHA offers a professional work environment along with a competitive salary and excellent benefits. To be considered applicants must submit resumes and salary requirements.
